KeyG for vector drawings or you can use CorelDRAW. Graphics. Corel

Dearx 8.0.20 -similar to photoshop, its easy to learn but incredibly powerful. Please help! I need to re-install this software. I have the installation CD with me and it's already logged in. I believe my problem is in not having the old password. I have clicked on the "restore configurations" and tried "restore registry" but when I restart the computer it says it "is

already logged in".
